SPONSOR A BOAT

Sail Orcas
2027 SEASON

ABOUT SAIL ORCAS

THIRTY YEARS ON WEST SOUND

For 30 years, Sail Orcas has taught Orcas Island kids to sail on the sheltered water of West Sound. We're a volunteer-run nonprofit, and our mission is to share the joy of sailing with youth and adults through high-quality instruction and easy, affordable access to boats and facilities.

Hundreds of island kids have become sailors here, and many come back as our instructors. Summer camps start kids as young as 8, and the high school team, founded in 2001 as one of the original five teams in the Northwest Interscholastic Sailing Association, races across the region.

HEALTHY, OUTDOORS AND ON THE WATER

Sailing gets kids outside and moving for hours at a time. They learn to handle a boat safely, read the wind and weather, work as a crew and look after the waters of the San Juans. Along the way they build confidence, friendships and a sport for life.

30 yrs
of youth sailing lessons on West Sound

200+
students sail with us each year

8
trips to the high school national championships

BOAT SPONSORSHIP

YOUR NAME ON THE BOW

Local businesses help keep our fleet on the water. Sponsor one of the race team's FJs and your business's name goes on its bow, seen on West Sound and at regattas around the region: $500 a year for both sides, or $250 for one side.

Sponsorships help pay for boats, sails, safety gear and getting sailors to regattas, and keep sailing affordable for island families.

$500
BOTH SIDES

$250
ONE SIDE

Per year. Email or call to choose a boat.
